SUBJECT: TIME SENSITIVE MAIL TO THE DEPARTMENT OF LABOR

We have been advised by the Department of Labor that grant applications and other time sensitive documents going to Washington, DC should be sent by overnight express mail or (if not too long) by fax. Because of the decontamination procedures put in place due to the Anthrax problem, regular mail can take several months to reach its destination. Please bring this information to the attention of all relevant parties in your area.

If you have any questions regarding this bulletin, you may contact Georganne Pintar Baldwin, Local Policy Guidance Unit Manager, at (916) 654-7611.
